SUPPLEMENTAL RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Dear Sir:

This Supplemental Response is being filed further to the Notice of Non-Compliant Amendment mailed April 22, 2002 for the above reference application ("the Notice") and the teleconference of July 11, 2002 with the undersigned. The Notice indicated that the March 19, 2002 Amendment was non-compliant for failure to include a marked-up version of the replacement paragraph(s)/section(s). The written explanation for the non-compliance referred only to a non-compliance issue with the Abstract. Accordingly, no indication was made in the Notice concerning any other non-compliant paragraphs. A compliant copy of the Abstract was timely filed in response on April 30, 2002.

On July 10, 2002, the Examiner contacted Applicants' attorneys and stated that the paragraph of the specification which had been substituted via the Preliminary Amendment was

12966980.1 071102 0919C 00654759

also non-compliant and needed to be resubmitted to show changes. A response was faxed to the Examiner on July 10, 2002, but due to a misunderstanding of what was required, was not accepted. The undersigned had a teleconference with the Examiner on July 11, 2002 and confirmed the form for response.

The undersigned thanks the Examiner for her patience and time in resolving this matter.

Attached is a marked-up copy of the revisions to the replacement paragraph, entered via the March 19, 2002 Amendment.

The Commissioner is hereby authorized to charge any additional fees (or credit any overpayment) associated with this communication to our Deposit Account No. 13-0019. If a fee is required for an extension of time under 37 C.F.R. §1.136 not accounted for above, such extension is requested and such fee should also be charged to our Deposit Account.
